FEATURES

- **Bright, visible lines.** Optical brighteners give the white extra pop in daylight and under lights.
- **Lines that last.** Holds through rain, mowing and play.
- **Machine ready.** Little to no settling. Stir it and it is ready to pour.
- **Easy cleanup.** Water-based formula cleans up with water.
- **Made for turf.** Formulated for grass, dirt, cinder and other natural playing surfaces.
- **Colors match.** Bulk colors are matched to the Stripe-It aerosol line for touch-ups.

Recommended for: Football, soccer, baseball, softball, golf, parks and recreation, youth leagues.

Application: Stir before use. Apply with an airless or compressed-air field marking machine.

A safety data sheet is available on request. Values shown are typical and may vary slightly between lots.
