Removal	Water, or normal wear and rain
Contains	No lead or fluorocarbons

PACKAGING

Cans per case	12
Cases per pallet	100
Ships from	MO and IL: pallet or truckload

FEATURES

- **Lines that come off.** Removes with water, or wears away with rain and normal play.
- **No ghosting or staining.** Leaves no shadow of old lines on the turf.
- **Quick to dry.** Sprays on as a liquid and dries to chalk in under 15 minutes.
- **Cleaner formula.** Contains no lead or fluorocarbons.

Recommended for: Synthetic turf fields: temporary lines, hash marks, logos and event layouts.

Application: Shake well, then spray by hand or in an aerosol machine. Try it on a small area of your turf first.

A safety data sheet is available on request. Values shown are typical and may vary slightly between lots.
