FEATURES

- **Lasting lines.** A durable enamel coating for concrete and asphalt.
- **Fast drying.** Lots and aisles reopen sooner.
- **No clogs.** An inverted, non-clogging tip that fits most striping machines.
- **Every lot color.** White, black, red, yellow and handicap blue.

Recommended for: Parking lots, school and park lots, warehouse aisles, construction sites, apartment complexes and fairgrounds.

Application: Apply in an aerosol traffic marking machine for straight, even lines, or by hand for stencils and touch-ups.

A safety data sheet is available on request. Values shown are typical and may vary slightly between lots.
